

# Sunday Church School 2011

## Christmas Share/Pastor Scott Project – Information and Suggested Items

We are thankful for the many ways our Mount Olivet church families make a difference in the lives of others. In Sunday Church School this Christmas season, we will continue the tradition of serving with Pastor Linton Scott, Mount Olivet's pastor of Inner City Ministries.

Each class is paired with a family in need connected through Pastor Scott and our community outreach program. This is one way Sunday Church School students can be a living example of Christ's love. Encourage your children to remember their individual in their prayers this Christmas season.

Items can be new or gently used, but should be in good condition. If you have other items to share with our local family, please feel free to bring them along with your gift.

Food donations will also be taken at this time. If you have non-perishable food to share, please place it unwrapped and in a grocery bag labeled with the family name.

If you are unable to attend, please place your **wrapped and labeled gifts** and food donations in a bag or box, and fasten the family information sheet to the outside of the package. Please drop off your labeled and wrapped gifts at the main church office as soon as you can. It is a blessing to give, but if you are not able, please pray that all people will experience God's kindness.
